

It's the Garden Tour's 25th Anniversary!

2023 June Jubilee Garden Tour

Saturday, June 24 and Sunday, June 25

Tickets (good for both days):

\$15.00 through June 14

\$20.00 after June 14

A major revitalization and historic recreation of Grandmothers' Garden began twenty-five years ago. Restoration and maintenance efforts by our volunteer gardeners continue today. Garden paths and bed edgings have been rehabilitated and stone benches installed. New benches were installed in the summer house. In April, our rose arbor was replaced with a gorgeous new redwood arbor. The Tour proceeds will go toward new plantings around the arbor.

The 25th annual garden tour, **June Jubilee**, will feature seven private gardens. Through tour ticket sales and the generous sponsorship of individuals and local businesses, we hope to meet the ongoing financial challenges of maintaining the garden.
